IF ORIENTAL WAR SHOULD COME.  
If war on small Japan big Russia shall begin.  
And China's pigtailed clan steps up and pitches in.  
What awful things must men in countries far away.  
If they would keep informed, essay to read each day.

With warships named Chin Yen, Petropavlovsk, Mixesa,  
Sevastopol, Iwate, Rossy, Shikishima,  
A mix-up on the sea might make a word like this:  
"I Wate-to-Se-Yo-Ross-as-Pet-Mikes-Chin-Yu-Kis."

War scribbles may Writeski tales of Smashjapanski's  
deeds,  
How minceski meat he's made of all Mongolski  
breeds;  
How Chu-Up-Rus-sia's way of settling Cossack

TELEPHONE No. 43. G. W. GEISEL, OPPOSITE OPERA-HOUSE.

Rev. Clyde Brooks of Lexington will occupy  
the pulpit at Beasley Church Sunday morning  
and night.

Mrs. Emma Ryan of Columbus, O., of whose  
serious illness mention has been made in this  
column, is improving very slowly.

Mr. Godfrey Lipp of West Third street has  
accepted a position in Cincinnati and will shortly  
move his family to that city to reside.

The many friends of Miss Lillie Reynolds will  
regret to hear of her serious illness with typhoid  
fever at her home in Portsmouth, O.

The sloppy and dirty condition of the side-  
walks in many parts of the city is the fault of  
the property owners not having the snow re-  
moved. In other cities the size of Maysville  
they have laws compelling them to do so under  
penalty of a fine.

## KILLED AT AUGUSTA

Aged Woman Run Down Yesterday  
Morning By C. and O. Train

Mrs. Edwards, aged about 70 years, was  
struck by C. and O. train No. 10 yesterday  
morning as it was pulling into Augusta and died from  
her injuries in a few hours. She attempted to  
cross the track and lost her life in doing so.

Mr. George H. Traxel of this city was on the  
train en route to Cincinnati, and witnessed the  
accident. This is the second life lost in that  
city by being ground beneath the wheels of a  
train within two weeks, yet people continue to  
be careless and reckless about the approach of  
a train. In nine cases out of ten the fault is  
with the injured and not that of company or  
management.

Springdale and Colonel Charlie Degman are  
putting on full-fledged city airs, now that  
Uncle Sam has given that pretty little village a  
Money Order Postoffice. The event happened  
January 2d, and Colonel Degman has barely re-  
covered from the agreeable shock.

The announcement of the filing of his peti-  
tion in bankruptcy by Mr. Robert C. Kirk of  
this city in Covington Thursday appeared in  
this paper yesterday. He figures his liabilities  
at \$8,252.69 and no assets except what he has  
pledged with the State National Bank of this  
city as security for \$3,983.64 due on notes.

THE LEDGER of yesterday was misled in its  
statement of the discharge of Mr. William  
Clements as an engineer on the C. and O. Rail-  
road. While it is true that some of the engineers  
were under investigation, Mr. Clements is still  
an employe of the road and is running his same  
old engine. He is the oldest in point of service  
and is acknowledged to be about the best engi-  
neer in the Western country. THE LEDGER,  
together with his numerous friends in this city,  
is glad that the statement was premature and  
without foundation.

in Cincinnati. The business is the heaviest on  
record for January.

A Frankfort correspondent writing of the  
members of the Kentucky Legislature says:  
"Mr. S. D. Rigdon of Bracken is going to make  
himself more popular with his constituency by  
his work at the present session. He is the au-  
thor of a bill regulating the business of livery-  
men and also the acts of those who deal with  
them. In Mr. Rigdon's section of the state  
there is much travel from village to village by  
turnpike, and the liverymen have been right  
sharply imposed on. One requirement of the  
bill is that a person hiring a livery rig must  
give the correct distance he is to travel in the  
vehicle."

gineer of Louisville, was struck by a Louisville  
and Nashville engine at Crescent Hill and in-  
stantly killed.

The friends in this city of Judge Milton J.  
Durham of Lexington regret to learn of his re-  
cent serious mishap. A day or two before  
Christmas he slipped and fell on the ice, which  
caused concussion of the brain and slight in-  
jury to the spinal column. Though now some-  
what improved he will be confined to his bed  
for several weeks.

Which Is Better—Try An Experiment

Something new is an experiment.  
Must be proven to be as represented.  
The statement of a manufacturer is not con-  
vincing proof of merit.  
But the indorsement of friends is.  
Now supposing you had a bad back—  
A Lame, Weak or Aching one—  
Would you experiment on it?  
You will read of many so-called cures  
adorned by strangers from far away places.  
Is it different when the indorsement comes

Try to prove local testimony.  
The indorsement is the proof that backs

"For a year or more I had considerable pain  
in my back. The secretions from the kidneys  
were dark and there was some inflammation of  
the bladder, evidenced by a sensation of scald-

and I procured them at J. Jas. Wood & Son's

MR. OLNEY's friends in the East are apolo-  
gizing for his support of Mr. BRYAN in 1900.  
It is difficult to reconcile Mr. OLNEY's position  
with his opposition in 1896. Perhaps the dis-  
tinguished son of Massachusetts expects his  
vote in 1896 to secure Eastern support and his  
other vote in 1900 to bring Western Demo-  
crats to his help against the mighty.

A LITTLE girl wrote to The Boston Herald  
and told of her visit to the tomb of JULIET in  
Verona. She must be an excellent little news-  
gatherer, for she says the tomb is almost cov-  
ered all the time by the thousands of visiting  
cards left there by visitors. In fact, they are  
left in such numbers that the keeper has to  
cart them away at frequent intervals lest the  
moss-covered tomb be buried beneath them.

HON. S. D. RIGDON of Bracken county, who  
is anxious to start in the Kentucky Legislature  
a fight upon alum baking powders like that  
which made the Mississippi Legislature famous,  
has introduced a bill providing that all persons  
selling baking powder in which alum is used  
shall be fined unless the packages bear legible  
labels, setting forth the fact that they contain  
alum. Mr. RIGDON believes that the digestion  
of the people of Kentucky is at stake, and is  
enthusiastic in behalf of his measure. The  
bill will doubtless be fought by certain manu-

THE Grand Army Post at Austin, Texas, has  
adopted resolutions denouncing President ROOSE-  
VELT.

The resolutions charge that he has discrimi-  
nated against the G. A. R. as an organization  
and against the members as individuals, and  
that he has entered into league with the political  
deserters from the Democratic party in the dis-  
tribution of offices in the South.

The resolutions pledge the members of the  
Post to do all in their power to prevent the  
nomination of Mr. ROOSEVELT, and, failing in  
this, to work against him in the campaign.

The same charge can be made against the  
President in other parts of the country, where  
he has been guided by Democratic advisers  
rather than by the records of Civil War Veterans  
—even after issuing an Executive Order to his  
Department Chiefs directing that Civil War  
Veterans should receive preference in all ap-  
pointments.

#### TURBULENT ENDING.

Louisville Herald.

The death of T. C. Campbell, the noted criminal law-  
yer, through ill-usage at the hands of alleged West In-  
dian pirates in this twentieth century, when piracy is so  
much out of place; seems to be an anachronism. Deplor-  
able as is the event itself, it is, however, in respect of its  
startling character, a sort of termination that might be  
looked for a career full of surprises, perturbation and sen-  
sations.

There's considerable grip in the county.

Mr. Patrick Ryan sold his tobacco at 11¢

## IMPORTANT MEETING

Merchants of Maysville Are Asked to "Get Together" For 1904

With the advent of 1904, the merchants of Maysville must realize, if the year is to be made a great success, it can be made only by the co-operation of every merchant in town.

The time has come when towns are only a success when all the merchants work in harmony, and there is no time better than now to realize this fact.

There is a plan suggested to boom Maysville this spring, and it is of vital necessity that every merchant of Maysville attend the meeting Wednesday night at 7 o'clock at the Board of Trade room.

Plans to be unfolded at this meeting will be a revelation to the Maysville Public.

## A WOMAN'S COMPLEXION.

It is rank foolishness to attempt to remove sallowness or greyness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25c; regular size, 75c. At Henry W. Ray's Drugstore.

## Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

River  
News

Captain Orrin Marshall, an old-time steamboatman, died at Madison, Ind.

There is an ice gorge above Cincinnati which reaches from the dike at Coney Island to above Augusta, a distance of forty miles.

Colonel John L. Vance of the Ohio Valley Improvement Association has been made an honorary member of the Cincinnati Chamber of Commerce.

The towboat Gleaner and fleet are still safe at Mt. Vernon, Ind. Fear had been felt that the big towboat would be injured by the ice which surrounded her.

Ice continues to block navigation. The siege is especially hard on rivermen and owners of floating craft, who are put at great expense in protecting their property, etc. The ice in the river is still very heavy, with the banks steeped, and from present indications it will be some time before the boats can resume.

"The nicest and pleasantest medicine I have used for indigestion and constipation is Chamberlain's Stomach and Liver Tablets," says Melard F. Craig of Middletown, N. Y. "They work like a charm and do not gripe or have any unpleasant effect." For sale by J. Jas. Wood & Son.

Last year's pension issue was the largest in ten years; the issue for the first quarter of the present year exceeds the same period last year by 25 per cent.

## SORE LUNGS

When your lungs are sore and inflamed from coughing, is the time when the germs of PNEUMONIA, PLEURISY and CONSUMPTION find lodgment and multiply.

FOLEY'S  
HONEY AND TAR

stops the cough, heals and strengthens the lungs. It contains no harsh expectorants that strain and irritate the lungs, or opiates that cause constipation, a condition that retards recovery from a cold. FOLEY'S HONEY AND TAR is a safe and never failing remedy for all throat and lung troubles.

The Doctors Said He Had Consumption—A Marvelous Cure. L. M. Ruggles, Reasoner, Iowa, writes: "The doctors said I had consumption and I got no better until I used FOLEY'S HONEY AND TAR. We thank our patrons for their interest and loyalty, and while expressing appreciation, we wish, also, to extend our best wishes for a New Year of happiness and prosperity for all. Your best interests shall be our interests during the coming year. Our service will, if possible, be better than ever before as a practical acknowledgment of our appreciation of your continued favor and patronage.

**Sure  
Relief for Women.**

No. 18 Central Ave.  
HOT SPRINGS, ARK., April 30, 1903.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.  
A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at the end of that time I was in better health than I had been for seven years.  
I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.  
*Anna Nelson*  
ORATOR, WEDNESDAY CHAUTAUQUA CLUB.

**WINE of CARDUI**

Mrs. Nelson describes the condition of thousands of women. That condition comes by slow stages. Usually the important function of menstruation is at first slightly irregular. Then comes the painful periods. Bearing-down pains and ovarian inflammation follow. Finally the nervous system gives way and the whole system has become affected and the pains rack the body from head to foot.  
Wine of Cardui is a menstrual regulator of established reputation. No woman who takes it suffers as Mrs. Nelson suffered. It gives speedy and complete relief from the torturing menstrual agonies which are making so many women invalids today. Do not let yourself come to the pitiable condition Mrs. Nelson describes.  
Secure a bottle of Wine of Cardui from your druggist today and begin treatment immediately.

**Appreciated.**  
MR. GEORGE H. TRAXEL:  
In behalf of my wife and myself I desire to thank you for having invented a device that will prevent range explosions. We believe were it not for your Safety Device that our range would have been blown up and our lives endangered. Shortly after the fire was started in the range, steam and water began blowing out of the Safety Appliance, indicating that pipes were frozen and water could not circulate in the pipes, consequently steam and pressure were accumulating only to be relieved as fast as it could accumulate by the Safety Appliance.  
Mr. R. R. BROWN,  
Secretary Y. M. C. A.

**Why Not Begin the New Year  
Dan Cohen's Great Western Shoe Store?**  
BY BUYING SHOES AT

When you feel your feet so comfortably clad, and realize how heavy your purse still is, you will feel new "swap" and "go," heart lighter, head clearer and in your heart only pity for the "other fellow," who is still shambling around in his old shoes, with his head down and his courage at an ebb—proportionately low. Do your best to make it so, and let us help you, and the New Year Will Be Happy.

Yours for 1904,  
**W. H. MEANS,** MANAGER DAN COHEN'S  
GREAT WESTERN SHOE STORE!
